Imprints of leaves pressed against the sky like impressions instilled by life at J.F.K. High.

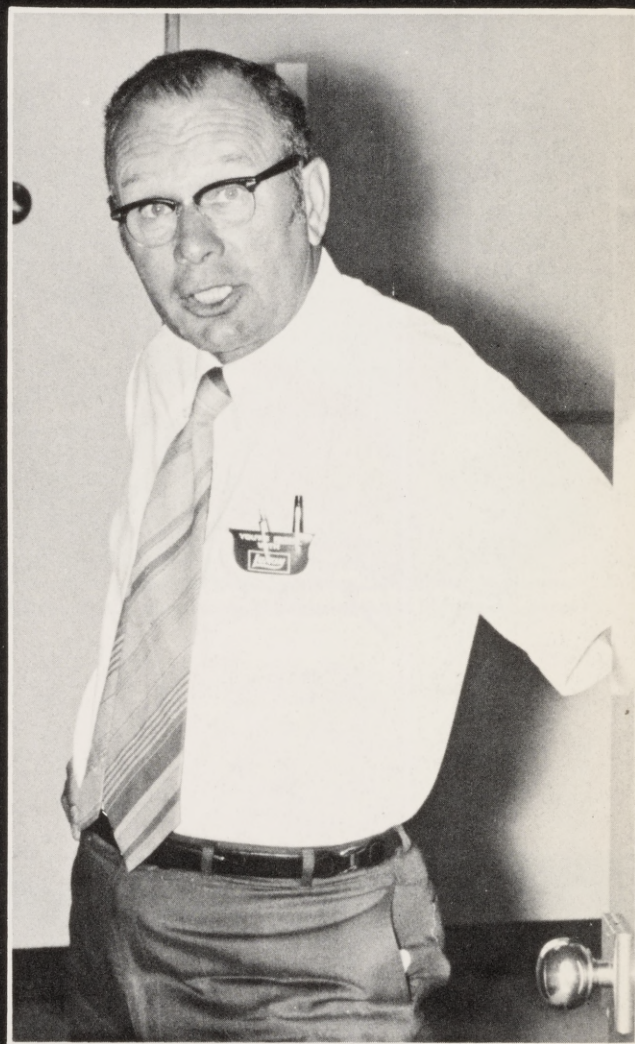

Mr. Reginald Dunning, perhaps the most patient, understanding and devoted person JFK will ever have the pleasure of knowing, has always been respected for his deep concern of the school and everything involved with it. In time of need, Mr. Dunning is available, dependable, and willing to help in whatever manner necessary. His concern is evident in every effort and accounts for his ability to communicate and relate to the students. Without question, Mr. Dunning has, in some way or another, assisted every organization and school activity at JFK. His commitment to work goes beyond duty's call as he continuously supports and attends most of the school's events. We are confident that both the student body and faculty will agree with the staff's decision to dedicate the 1973-74 Isnala to this very deserving man . . . Mr. Reginald Dunning. He has made an imprint at JFK.

THE ISNALA STAFF

DEDICATION

... A PARTING MESSAGE

It is difficult to express my appreciation for the countless times the staff, students, faculty, and administration have cooperated in the past to make our many editions of the Isnala a success.

I humbly thank you,

M. Friedrich

I wonder what Laura's doing . . .

more love and goodness, a little
more light and truth comes into
the world, then that man's life
has had meaning.

AFS

Hedda Van Raalte:

First of all, I must say that I am very glad that I was given the opportunity to come to this school.

It wasn't too difficult for me to adjust here because my school in Holland also has a "flexible" schedule. The only difference is the 15 minute mods, but I enjoy having some free ("unscheduled") time during the day. Another difference is the open environment of Kennedy High School.

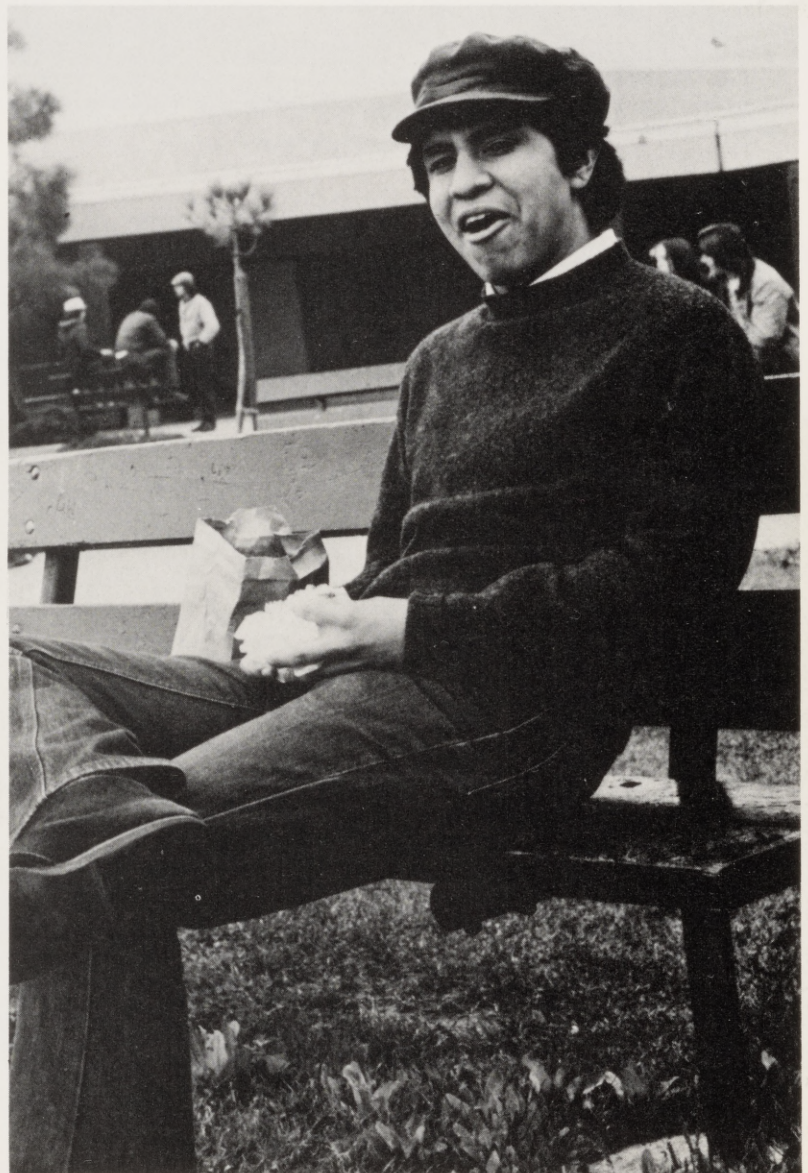

I like the convenience of having a variety of classes to choose from. There are also many extracurricular activities which is interesting to me. In Holland, most activities are in private clubs and there are hardly any school activities. Activities make school more enjoyable because you get to know the people in different circumstances, which is very nice.

Marco Gonzalez:

After being in Spain for the summer of 1973, I feel I came back with a fuller experience of Life. It was truly a learning experience not just a vacation.

Spain is a nice place to visit because the Spanish people are warm and outgoing. The majority of my time was spent meeting and talking with people. I was fortunate to live in a University city because there were many college students to communicate with. It was also helpful having a background in Spanish because it was easier to talk to people.

The experience of meeting people and living with a spanish family taught me many things. Though only in Spain for two months, I'll never forget my experience. I hope everyone will take interest in the AFS Exchange Program and if eligible, take advantage of this chance next fall.

THE ONLY WAY TO HAVE A FRIEND IS TO BE ONE.

SENIORS

SENIOR MESSAGE

It's June the 10th, 1974, and over 300 Kennedy Seniors sit quietly listening to graduation speeches in the Richmond Auditorium. Lying on their laps, or clenched tightly in their hands, are their diplomas. Of course these are but worthless pieces of paper, but then again, they are trophies for the winners of a 13 year long contest. As they read their diplomas, congratulating themselves in the process, they look back upon their years at Kennedy too long ago, when they were but weak minded freshman.

It was a warm September when the members of the class of "74" first passed down the halls of Kennedy. Confronted by new faces and an unfamiliar schedule system, we found ourselves to be guinea pigs, tested with the temptations of unscheduled time. But somehow we adjusted to the new system and actually liked it. We became friends striving towards a common goal, our graduation. Karen Johns, our Freshmen class president summed up the year when she wrote in the "71" Isnala "We look back over our first year in high school with pride, knowing that we have the confidence and ability to succeed in the years to come."

Karen probably never realized how correct her prediction of our success would be, for as we entered our Sophomore year we found that success was with us. Our Soph-Frosh football team took the championship of the ACAL, and many other Sophomores competed for high awards in forensics. Some even made it to the State Championships. As a class we mastered the problem of what to do on our unscheduled time. We spent it talking in the library. Under the leadership of Toni Theoudele, Susan Cherwin, and Joanne Kerbavaz we began to raise the money which would be so important in the years to come.

By our Junior year we had fully accepted flexible scheduling. Once strange terms like "open lab", "advisory", and "mod" were now part of our everyday vocabulary. Kennedy High, its people and buildings were a part of us. Many members of our class participated in their schools activities. From forensics to feast, we made the school an exceptional place of learning. Our Junior Prom was the highlight of our year. On that night in the middle of the bay, as we chanted "74"! to the rythmn of the waves and music, we knew we were unique. We were a "together" class, a class full of talented people who could listen to each other. Pam Felder was our class president, and she, along with others, led the way as we moved on to our Senior year.

Our final year began with the joy of being with friends. We were all ready to celebrate our last year, so we wasted no time getting started. Our first activity was Senior Fun Night. Usually a poorly attended function, it was a success with more than half the class attending. Next came our Dinner Dance, Ganza, and Senior Picnic on beautiful Angel Island. After that came our elegant Senior Ball, and lastly our All Night Party. Our class officers, Yvonne Arnold, Harold Cordier, and a big mouthed president were only a few of our class's outstanding members. We mustn't forget our Home Coming Queen and her attendants, all of the Cheerleaders, Yell leaders, and Pom Pan girls, the fantastic yearbook staff, the club members and their presidents, and of course all the forensics, science, and sports stars. This was the last year for the class of "74."

But now we must move away from Kennedy, and into the real world of hide and seek with life. The school games we've played are over. Now we must challenge society's games and try and find our place on the board. To quote us from our childhood days. " . . . 71,72,73,74,. Ready or not, here we come!"

Peace,

HOMECOMING '73

Who can forget the 1973 Homecoming, the night of October 19th, at El Cerrito High School? Even without the usual occurrence of rain, the powerful Eagles pulverized the Gauchos in a 42-12 victory.

At halftime, the Homecoming Queen — La Verne Chambers and her attendants greeted the cheering Eagle fans. The original class floats brought up the parade.

Queen La Verne Chambers and her escort, James Phelps.

Due to the lack of organization and/or funds, only the Senior and Sophomore classes built floats for the competition. Both of the floats took a lot of hard work, but, of course, the Senior class float "The Big Red" was awarded the prize for the best one. The Class of '74 always comes on strong. Right On!

CHRISTMAS CONCERT

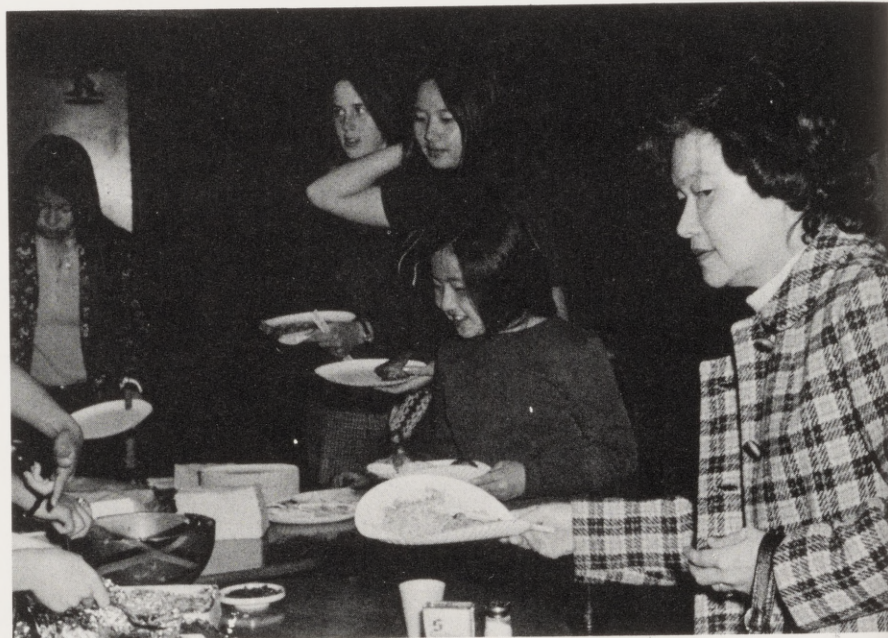

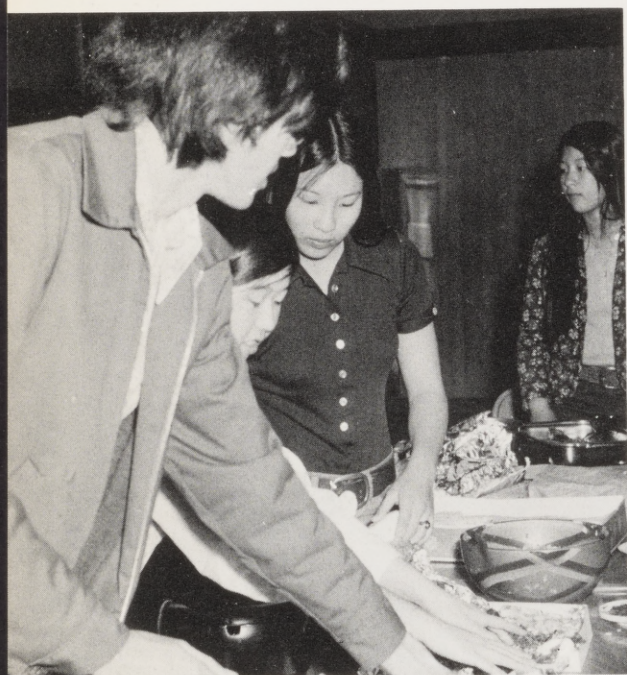

Under the capable direction of Mrs. Dunning and Mr. Close, the students performed exceedingly well in this year's Christmas Concert, and all to the pleasure of a fine and appreciative audience.

Asian Youth Potluck, Feb. 20, 1974

The Asian Youth Club, after weeks of intensive preparation, put on a very successful potluck at the J.F.K. Cafeteria. Thanks to the contributions by parents, students, and interested friends of our club, we will be able to participate in various spring activities including a weekend retreat.

JAZZ BAND CONCERT

There's only two ways to sum up music: either it's good or it's bad. If it's good you don't mess about it; you just enjoy it.

Louis Armstrong
on the difficulty of defining jazz.

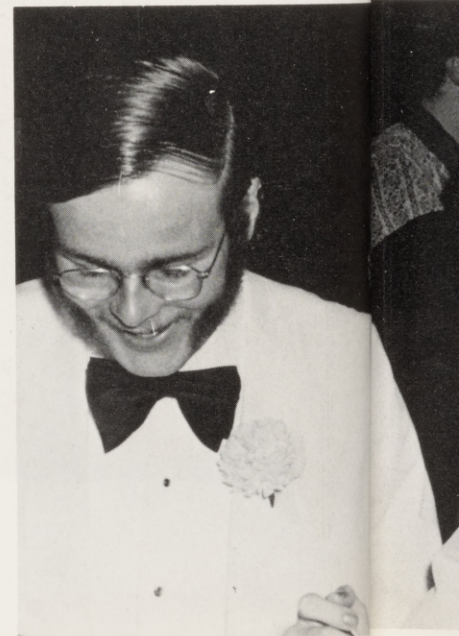

February 1, 1974 — just a day on the calendar? Not to the Class of '74 at Kennedy High School. It was a unique date in every aspect. Greeted with the elegant atmosphere of the Oakland Hilton Inn, people prepared themselves for a promising evening. Dinner was accompanied by the relaxing music of "Two Things in One," the same group that gave such an impressive performance at the Junior Prom Bay Cruise last year. As the night progressed, the music and dancing heightened.

The highlight of the evening came with the presentation of awards. Senior officers Wayne Hilty and Harold Cordier awarded trophies to the class standouts: Best couple — Donata Hubert and Tom Carr, Best dressed guy — Derek Jackson, Best dressed girl — Dana Jackson, (keep it in the family!), Class cut-up — Debra Berry, Most talkative — Gerald Sain, Shyest guy — Brian Hodges (too shy even to attend the affair!), Shyest girl — Melanie Stanley, and Most likely to succeed — Marco Gonzales and Yvonne Arnold.

Fulfilling every expectation, the evening was "special," as is the Class of '74!

BLACK HISTORY WEEK

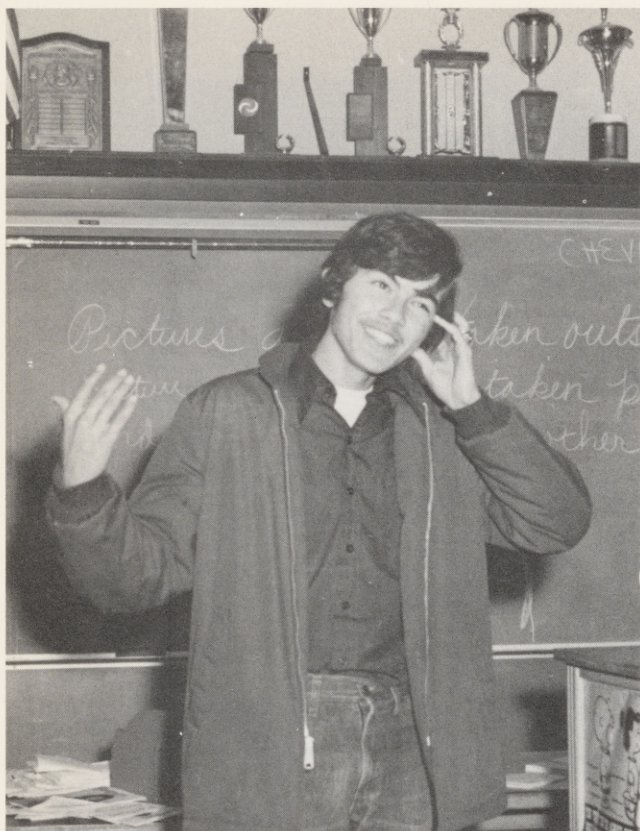

John F. Kennedy celebrated the week of February 11 through February 15 as nationally proclaimed "Black History Week." Interesting programs and exhibits were presented throughout the week under the sponsorship and direction of the B.S.U. Our Main Resource Center was used for a display with special attention to Black Literature. On Monday, February 11, a special program was presented in the Little Theater as tribute to Black History Week from 11:30 a.m. to 1:00 p.m., and a B.S.U. bake sale held in the Central Mall, served as a means to raise money which will be donated to their annual scholarships. Thursday, February 14, was reserved as an African Dress Day. The evening was highlighted with the appearance of a special speaker from Cal State University of Hayward in addition to a program of singing, dances, and drama presentations. Much appreciation is expressed to the sincere involvement of those students and faculty participating in the event.

JUNIOR MESSAGE

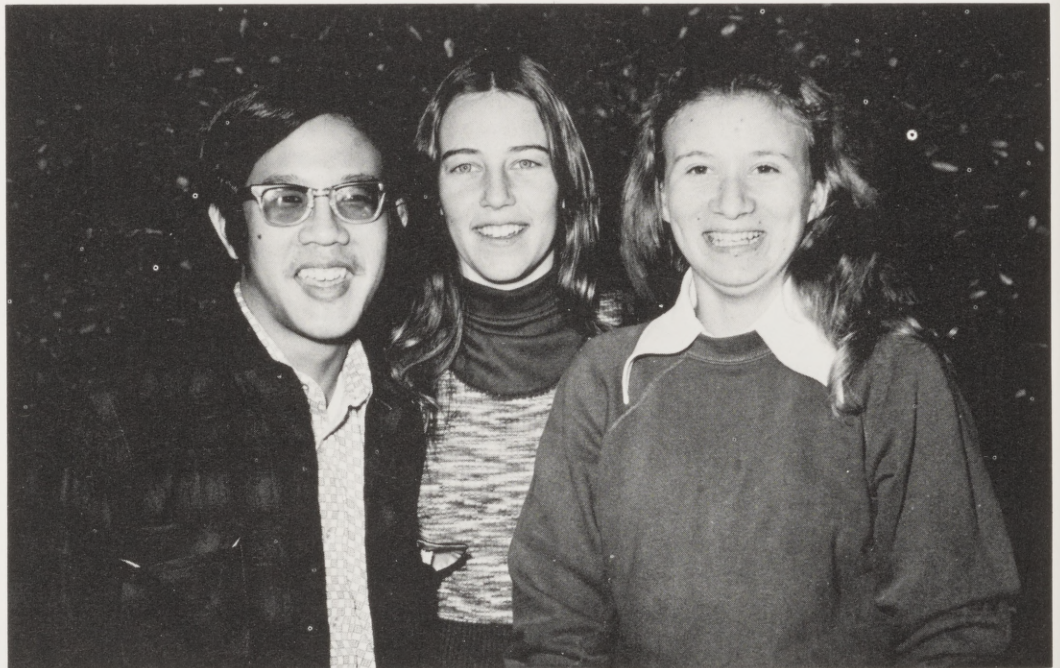

Three years ago on September 8, 1971 a frigate was christened "75" and set afloat on a four year voyage. A voyage bound for the "New Life" in the "Big World."

The frigate, a fine and sturdy craft, got off to a good start with a strong breeze, but it was quickly met by stormy weather.

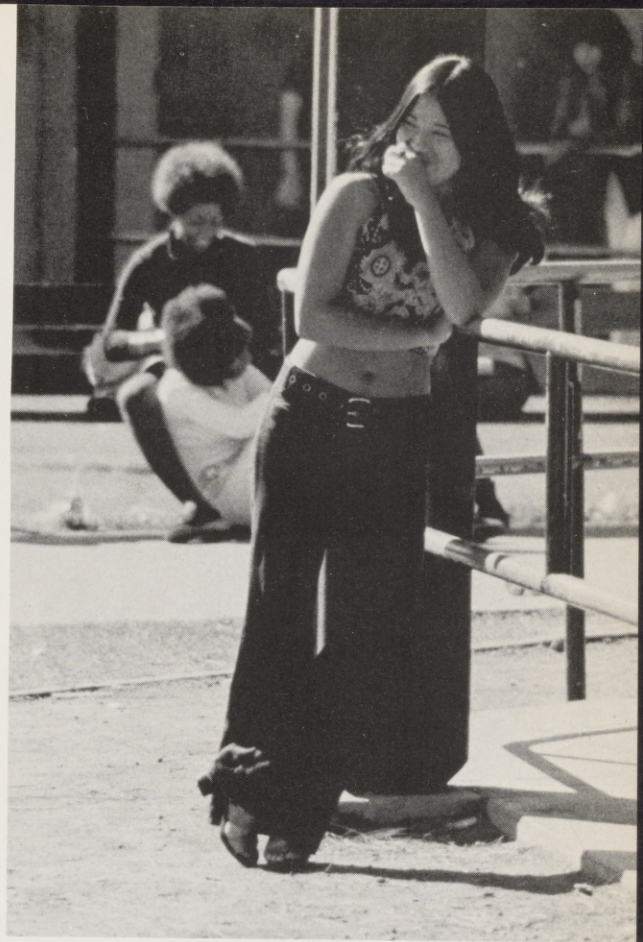

Withstanding the poor conditions of two years, the "75" has pushed slowly onward. It has thus proved itself worthy of the name John F. Kennedy.

This past year, "75" has met with calmer seas and I have enjoyed being at the helm. For its final year I predict smooth sailing for the majestic "75."

SOPHOMORES

SOPHOMORE MESSAGE

We're half way through, just two more years to go at John F. Kennedy High. We've showed the Administration and the Students that we're the best class now and for the forever future that will be at JFK. We've our togetherness and we will keep it. We've passed our "soulful" sophomore year and we're all looking forward to our "jazzy" junior year.

I know we are cool because we are the "American Spirit." The spirit of what? THE SPIRIT OF '76!

PRINCIPAL'S MESSAGE

A pictorial history of a year's activity have been recorded in this, the 1973-74 ISNALA. In the years ahead, as you take a moment to reflect back over the events of 1973-74, it is my wish that you remember only the happy moment that you shared with your teacher and friends.

It is my further wish that as you glance back and remember your days at JFK, perhaps with a feeling of nostalgia, that your station in life has been found, that you have been somewhat successful, and that you are, indeed, happy. Hopefully, John F. Kennedy High School has made a contribution in helping you reach your goals.

I congratulate the ISNALA staff and Mr. Friedrich, their sponsor, for all of their efforts in making this, the 1973-74 ISNALA, an excellent yearbook, possible.

S.A. PRESIDENT'S MESSAGE TO THE STUDENT BODY

With the help of various people, the long dormant student government at Kennedy High School was awakened by a revision of the school constitution. Several improvements were made thanks to the executive cabinet, too. Such progress lends support to the fact that student government is only what the student body makes it.

I hope that the 1973-74 school year was as fruitful and enjoyable as you expected. I hope, also, that you found life at Kennedy High School as much of a learning experience as I did. Good Luck to future S.A. Presidents and good luck fellow students.

FORENSICS

The Kennedy Forensics Team continued its record of success and leadership in public speaking. The National Forensics League, the top 1,200 schools in the United States competing in speech, ranked Kennedy number one in the nation for membership and participation. Kennedy also received the Outstanding Chapter Award from the National Forensics League. While the speech team's record abounded with sweepstakes and individual awards almost too numerous to mention, its proudest achievement was the involvement of 150 students in public speaking. Forensics is open to all who wish to improve their skills in argumentation or in the field of dramatic interpretation as well as develop leadership skills along with personal poise.

YOUNG LIFE

Young Life is not an organization, but rather an organism — a growing, energetic body of students who meet casually each week in various student homes. It is an open forum at which all are welcome and there is no membership or dues. Singing, entertainment and competitive events are often followed by discussions of the deep issues in life. The Bible is also discussed and students are allowed to form their own conclusions about Jesus Christ.

If one word would describe the football season of 1973, it would be "bittersweet." Faced with the toughest schedule in J.F.K. history, the Eagles proved themselves to be one of the best football teams in northern California, and the best in this area, but as they found out — the best team does not always win. Overconfidence at times, the bounce of the football, and the Richmond monsoons prevented the team from achieving their rightful recognition.

The young men that made up the 1973 Eagle football team can be proud of the way they overcame their obstacles. They competed with pride, won with honor, lost with dignity, and at all times held the respect of opponents, officials, and fans. If the football season of 1973 is an indication of the potential of the players, these men will all be successful in their chosen fields of endeavor, and a definite asset to the community.

CROSS COUNTRY

1973 was a building year for the Eagle's Cross-Country team. Starting the season late with a new coach and a team of unexperienced Freshmen and Sophomores, triggered us to a poor start. After being humiliated in a pre-season meet by a powerful team from Campolindo High School, we fought back to beat Richmond in the first league meet and bring home a medal from the Clayton Valley Invitational the following week. Our Varsity improved during the rest of the season, but we couldn't catch teams composed of Juniors and Seniors. Our Frosh-Soph team did better, beating Ells, Richmond, Pacific, and Pinole during the regular season. In the A.C.A.L. meet, we upheld our North Division victories over Richmond, Ells, and Pinole. The Frosh-Soph team gained in repute by defeating some powerful South Division Teams. They missed qualifying, however, for the North Coast preliminaries by a mere four points.

The entire team will return next year led by "Most Valuable Runner" — Michael Stephens; "Captain" — Dale Ennis; "Frosh-Soph Captain" — Bill Harlow; and "Coach's Award" winner — Mike Wilson. Better conditioned and more experienced next year, the Kennedy Cross-Country team will be a formidable foe for all.

The 1974 Soccer Team is the first Soccer Team of J.F.K. Even though they were a new team, they proved they could handle some of the most experienced teams in the league. The J.V. Team was aided by several girls who proved they could hold their own against the guys. Kennedy can be proud of this team and is looking forward to an even better season next year.

BASKETBALL

After many hours of practicing indoors and out, the varsity basketball team of 1973-1974 can be proud of their 20-6 winning record. The season was highlighted with wins at the Lincoln Tournament and wins against Berkeley and El Cerrito. The press never recognized the Eagles as champions, but in the minds of the school and team members, we know they are, and always will be.

The season for the wrestling team of 1973-1974 was one Coach Murr considers a building year. The team completed most of the year without a full squad, because of injuries. Nevertheless, the individual efforts of the young men were always commendable. The varsity team captain was Keith Green, and Travis Washington captured the award for "Most Pins." Congratulations Coach Murr and team members, and good luck next year.

This year's swim team can be considered one of the best we've ever had. Even though we lost our superstar last year, several freshmen made up the deficiency; Jeff Aanestad and Michael Chin proved themselves worthy opponents for most seniors. The new scoring proved an aid to larger teams, which gave us a disadvantage, but inspite of our late start and other set backs the team fared well in competition led by returning swimmers Steve Sapp, Alan Talbot and Mark Davis. Next year will be one of our most exciting years because the strength of the team will be returning.

Do you not know?
Have you not heard?
The everlasting God,
The Lord,
The creator of the ends
Of the earth
Does not become weary
Or tired.

His understanding
Is inscrutable.
He gives strength
To the weary,
And to him who lacks might
He increases power.

Though youths grow weary
And tired,
And vigorous young men
Stumble badly,

Yet
Those who wait for the Lord
Will gain new strength;
They will mount up
With wings like eagles,
They will run
And not get tired,
They will walk
And not become weary.

FRIENDS OF ISNALA

The 1974 Isnala Staff would like to express our appreciation to the following people for being a special help in assembling this annual:

- Mr. Dunning for his continuous support, and many other thoughtful kindnesses,
- the business department for the loan of the typewriters,
- Mrs. Theoudele for keeping our finance books straight,
- the Attendance office for providing a window to sell the books from,
- those members of the faculty who excused us from classes at crucial deadline time, and also those who provided copy when it was needed.
- We thank the various students who helped us in identifying candida for the index and others who supplied us with pics,
- the past staff members who lent a hand with layouts
- Mr. Fred Dahlinger for all his advice and cooperation concerning the book,
- Mr. John Nenni and his crew, especially Bill, Don, and Bob, who came out numerous times to take pictures and who did a beautiful job,
- all the sponsors mentioned above, of course,
- those businesses who helped to finance the book by placing ads with us,
- Mrs. Bailey and Mrs. Clark for coming to our aid during the time of Mr. Friedrich's absence,
- the librarians who graciously lifted our overdue book fines,
- the main office staff for allowing us to use their many facilities,
- Mr. O'Hara for opening some very important doors for us and for watching our cars when we worked late into the afternoon,
- but most of all we would like to thank Mr. William Friedrich to whom goes all the credit for the final success of this book.

The 1974 Isnala Staff thanks all of you.

RETIRING TEACHERS

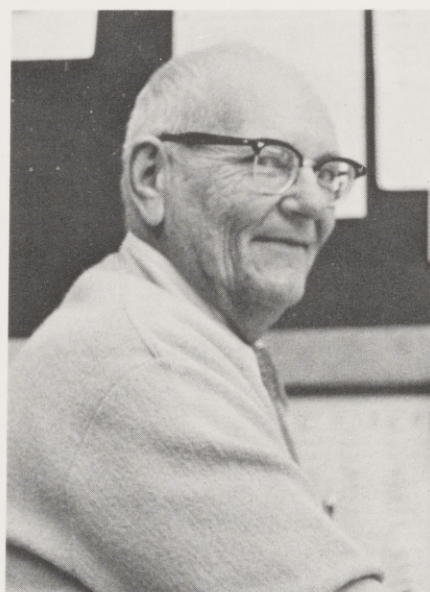

The highly efficient teaching of Mr. Robert Stuart for 32 years will be greatly missed by all of his students in Auto Shop and P.E.

Fond memories of Mr. Burt Johnson, a dependable, helpful, and patient counselor of 32 years will remain at Kennedy High School.

During her 29 years in the district, English and Reading were the specialties of Mrs. Virginia Robinson. She also was a sponsor to many clubs; a very dedicated teacher who will be greatly missed.

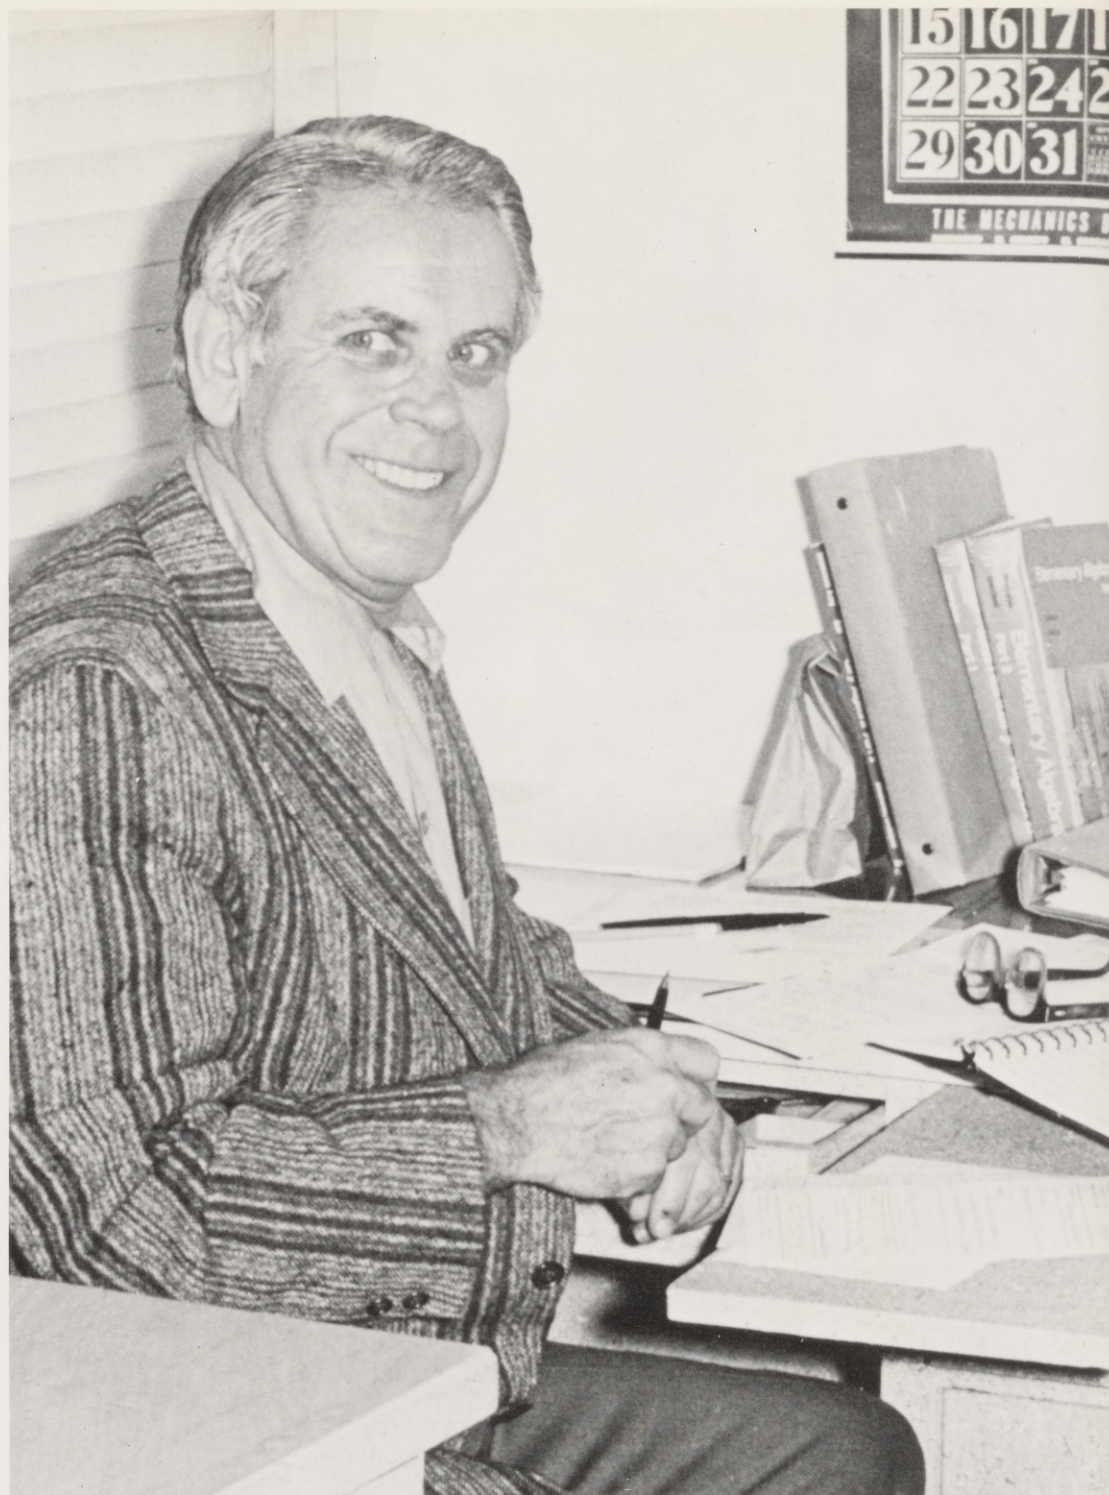

Mr. Les Wincentsen contributed 19 years of excellent service as Student Supervisor to the Audio Visual Department.

Mrs. Elaine Clark will complete her consistently successful career as a teacher in the Home Economics Department for the past 22 years this year. She too will leave an imprint at J.F.K.

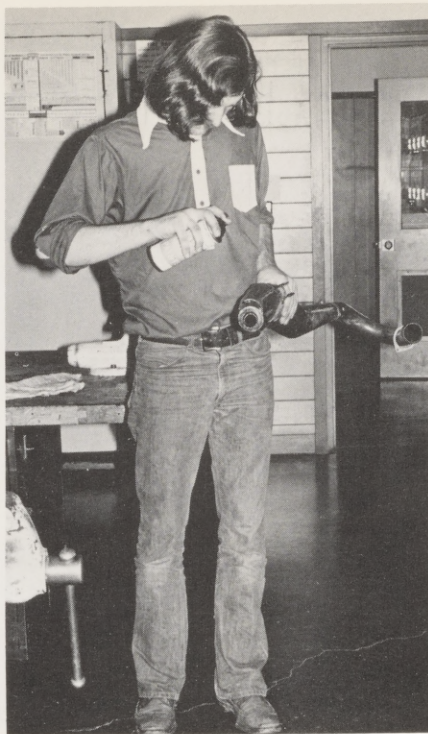

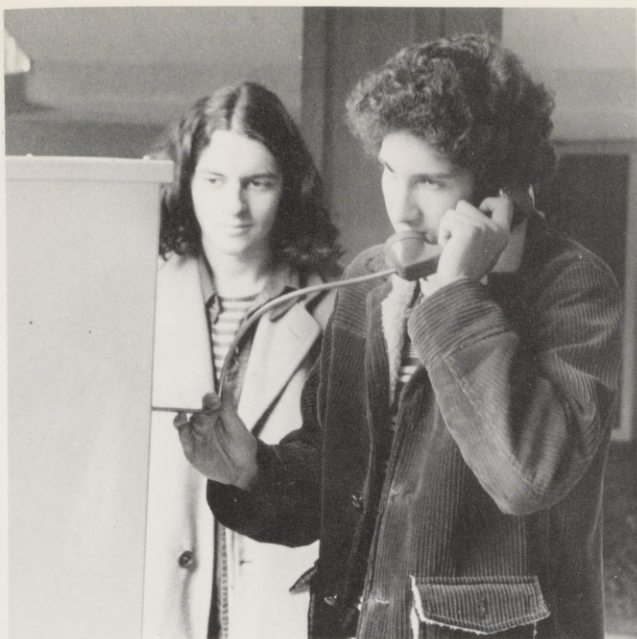

Mr. William Friedrich, noted and appreciated for 30 years of intense dedication to his work as an Art teacher and Isnala Staff Advisor, will be long remembered.

IN MEMORIAM

People tend to excel in one specific area more than others. Such is the case with Mr. James Cunningham. His interests and talents were observed in the Kennedy High School Math Department as he strived to share his knowledge of Geometry with his students. One special acknowledgement deserving of Mr. Cunningham was his introduction of the course "Applied Geometry," to Kennedy High. Using his background in the field of Geometry, Mr. Cunningham served 19 years as a conscientious and dedicated teacher.

Mr. Cunningham found much pleasure in associating with students outside of school. He enjoyed the company of people and often invited students to join him on various occasions. Housing a Foreign Exchange student from Japan was a thoroughly gratifying and fulfilling experience for him. Many students benefited from Mr. Cunningham and the imprint of his work will indeed be remembered.

If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him keep step to the music which he hears, however measured or far away.

OPPORTUNITY

Never before has man had such capacity to control his own environment — to end thirst and hunger — to conquer poverty and disease — to banish illiteracy and massive human misery. We have the power to make this the best generation of mankind in the history of the world — or to make it the last.
